

# Introduction

**SAFETY PLUS TRADING EST** is a new sister concern company of paksafety. Due to spending over fifteen years in trading business we already obtained substantial reputation in the market of Saudi Arabia. Our main focus is to provide safety items and services to Oil & Gas, Power stations, Petrochemicals, Fabrication Sector and Construction companies in the Kingdom.

We extend our safety items range by having substantial business relationships with renowned manufacturers and paramount suppliers around the globe that help us to provide variety and considerable safety items like PPE, industrial material, building material and electric material to required companies.

We invariably guide our team and expand this awareness with our valued customers to provide best possible solutions in order to enhance the safety and health environmental regulations.

## OUR MISSION:

Prosper together with customers, shareholders and employees to contribute for a prosperous society.

## VISION :

Eager to provide quality trading services which meet the expectations of our valuable customers.

## MANAGEMENT POLICY:

Take up the challenges of innovation and respond to market needs as a diversified and multi-faceted trading company.

## ACTION GUIDELINE:

Deliver customer satisfaction with creativity, innovation, sincerity and gratitude to act in compliance with the law and ethics.

# HAND Protection

1- Working leather gloves are personal protective equipment worn during work projects that cover and protect the hands from the wrist to the fingers.

2- Working leather gloves are meant to save the user's hands and fingers from unnecessary wounds such as cuts, blisters, splinters, skin punctures or heat and chemical burns.
