Complete IT Solutions

## Profile

ALzahid Electronics EST. headquartered in Khobar, has emerged as one of the most premier wholesalers and distributors, leading the industry with the latest in photocopiers, printers, allied consumables and computer technology. Under the aegis of highly able and ethically sound leadership, ALzahid has enviably become the choicest partner to many globally renowned manufactures and suppliers of the aforesaid products. Consistent innovation, focused vision, over twenty years of industry experience and 5000 plus SKUs from 50 global brands in stock, we have 1000 plus ardent customers from over thirty countries. With offices and temperature controlled logistic centres in Middle East, we are well poised to cater to a discerning customer base/ markets across South East Asia, GCC, Middle East, Africa and parts of C I S countries.

As we approach our 20th anniversary, we are proud of our dynamic growth as a complete IT solution provider to diverse industries in various markets. To achieve this growth, we have capitalized on select opportunities including strategic partnerships, innovatively expanding our product portfolio and broadening our geographical footprint. We are extremely customer oriented and boast of an unbu-reaucratic **RMA** processing system.
